Core theme 1: Health and Wellbeing

Pupils learn...

- H1. How to make informed decisions about health
- H2. About the elements of a balanced, healthy lifestyle
- H3. About choices that support a healthy lifestyle and recognise what might influence these
- H4. How to recognise that habits can have both positive and negative effects on a healthy lifestyle
- H5. About what good physical health means; how to recognise early signs of physical illness
- H6. About what constitutes to a healthy diet; how to plan healthy meals; benefits to health and wellbeing of eating nutritionally rich foods; risks associated with not eating a healthy diet including obesity and tooth decay
- H7. How regular (daily/weekly) exercise benefits mental and physical health (e.g. walking or cycling to school, daily active mile); recognise opportunities to be physically active and some of the risks associated with an inactive lifestyle

St Patrick's Catholic Primary School

- H8. About how sleep contributes to a healthy lifestyle; routines that support good quality sleep; the effects of lack of sleep on the body, feelings, behaviour and ability to learn
- H9. That bacteria and viruses can affect health; how everyday hygiene routines can limit the spread of infection; the wider importance of personal hygiene and how to maintain it
- H11. How to maintain good oral hygiene (including correct brushing and flossing); why regular visits to the dentist are essential; the impact of lifestyle choices on dental care (e.g. sugar consumption/acidic drinks such as fruit juices, smoothies and fruit teas; the effects of smoking)
- H12. About the benefits of sun exposure and risks of overexposure; how to keep safe from sun damage and sun/heatstroke and reduce the risk of sun cancer
- H13. About the benefits of the internet; the importance of balancing time online with other activities; strategies for managing time on line
- H14. How and when to seek support, including which adults to speak to in and outside school, if they are worried about their health
- H15. That mental health, just like physical health, is part of daily life; the importance of taking care of mental health
- H16. About strategies and behaviours that support mental health-including how good quality sleep, physical exercise/ time outdoors, being involved in community groups, doing things for others, clubs, and activities, hobbies and spending time with family and friends can support mental health and wellbeing
- H17. To recognise that feelings can change over time and range in intensity
- H18. About everyday things that affect feelings and the importance of expressing feelings
- H19. A varied vocabulary to use when talking about feelings; about how to express feelings in different ways
- H20. Strategies to respond to feelings, including intense or conflicting feelings; how to manage and respond to feelings appropriately and proportionately in different situations
- H21. To recognise warning signs about mental health and wellbeing and how to seek support for themselves and others
- H22. To recognise that anyone can experience mental ill health; that most difficulties can be resolved with help and support; and that it is important to discuss feelings with a trusted adult
- H23. About change and loss, including death, and how these affect feelings; ways of expressing and managing grief and bereavement
- H24. Problem-solving strategies for dealing with emotions, challenges and change, including the transition to new schools
- H25. About personal identity; what contributes to who we are (e.g. ethnicity, family, gender, faith, culture, hobbies, likes/dislikes)
- H26. That for some people gender identity does not correspond with their biological sex
- H27. To recognise their individuality and personal qualities
- H28. To identify personal strengths, skills, achievements and interests and how these contribute to a sense of self-worth
- H29. About how to manage setbacks/perceived failures, including how to re-frame unhelpful thinking
- H30. To identify the external genitalia and internal reproductive organs in males and females and how the process of puberty relates to human reproduction
- H31. About the physical and emotional changes that happen when approaching and during puberty (including menstruation, key facts about the menstrual cycle and menstrual wellbeing, erections and wet dreams)
- H32. About how hygiene routines change during the time of puberty, the importance of keeping clean and how to maintain personal hygiene
- H34. About where to get more information, help and advice about growing and changing, especially about puberty
- H35. About the new opportunities and responsibilities that increasing independence may bring
- H37. Reasons for following and complying with regulations and restrictions (including age restrictions); how they promote personal safety and well being with reference to social media, television programmes, films, games and online gaming.
- H38. How to predict, assess and manage risk in different situations
- H39. About hazards (including fire risks) that may cause harm, injury or risk in the home and what they can do to reduce risks and keep safe
- H41. Strategies for keeping safe in the local environment or unfamiliar places (rail, water, road) and firework safety; safe use of digital devices when out and about
- H42. About the importance of keeping personal information private; strategies for keeping safe online, including how to manage requests for personal information or images of themselves and others; what to do if frightened or worried by something seen or read online and how to report concerns, inappropriate content and contact
- H43. About what is meant by first aid; basic techniques for dealing with common injuries
- H44. How to respond and react in an emergency situation; how to identify situations that may require emergency services; know how to contact them and what to say

Core theme 2: Relationships

Pupils learn...

- R1. To recognise that there are different types of relationships (e.g. friendships, family relationships, romantic relationships, online relationships)
- R2. That people may be attracted to someone emotionally, romantically and sexually; that people may be attracted to someone of the same sex or different sex to them; that gender identity and sexual orientation are different
- R3. About marriage and civil partnership as a legal declaration of commitment made by two adults who love and care for each other, which is intended to be lifelong
- R4. That forcing anyone to marry against their will is a crime; that help and support is available to people who are worried about this for themselves or others
- R5. That people who love and care for each other can be in a committed relationship (e.g. marriage), living together, but may also live apart.
- R6. That a feature of positive family life is caring relationships; about the different ways in which people care for one another
- R7. To recognise and respect that there are different types of family structure (including single parents, same-sex parents, step-parents, blended families, foster parents); that families of all types can give family members love, security and stability
- R8. To recognise other shared characteristics of healthy family life, including commitment, care, spending time together; being there for each other in times of difficulty
- R9. How to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help and advice.
- R10 about the importance of friendships; strategies for building positive friendships; how positive friendships support wellbeing
- R11. What constitutes a positive, healthy friendship (e.g. mutual respect, trust, truthfulness, loyalty, kindness, generosity, sharing interests and experiences, support with problems and difficulties); that the same principles apply to online friendships as to face-to-face relationships
- R12. To recognise what is it means to 'know someone online' and how this differs from knowing someone face-to-face; risks of communicating online with others not known face to face
- R13. The importance of seeking support if feeling lonely or excluded
- R14. That healthy friendships help people feel included; recognise when others may feel lonely or excluded; strategies for how to include them
- R15. Strategies for recognising and managing peer influence and a desire for peer approval and friendships; to recognise the effect of online actions on others
- R16. How friendships can change over time, about making new friends and the benefits of having different types of friends
- R17. That friendships have ups and downs; strategies to resolve disputes and reconcile differences positively and safely
- R18. To recognise if a friendship (online or offline) is making them feel unsafe or uncomfortable; how to manage this and ask for support if necessary
- R19. About the impact of bullying, including offline and online, and the consequences of hurtful behaviour
- R20. Strategies to respond to hurtful behaviour experienced or witnessed, offline or online (including teasing, name-calling, bullying, trolling, harassment or the deliberate excluding of others); how to report concerns and get support
- R21. About discrimination: what it means and how to challenge it
- R22. About privacy and personal boundaries; what is appropriate in friendships and wider relationships (including online)
- R23. About why someone may behave differently online, including pretending to be someone they are not; strategies for recognising risks, harmful content and contact; how to report concerns
- R24. How to respond safely and appropriately to adults they may encounter (in all contexts including online) whom they do not know
- R25. Recognise different types of physical contact; what is acceptable and unacceptable; strategies to respond to unwanted physical contact
- R26. About seeking and giving permission (consent) in different situations
- R27. About keeping something confidential or secret, when this should (e.g. a birthday surprise that others will find out about) or should not be agreed to, and when it is right to break a confidence or share a secret
- R28. How to recognise pressure from others to do something unsafe or that makes them feel uncomfortable and strategies for managing this
- R29. Where to get advice and report concerns if worried about their own or someone else's personal safety (including online)
- R30. That personal behaviour can affect other people; to recognise a model respectful behaviour online
- R31. To recognise the importance of self-respect and how this can affect the thoughts and feelings about themselves; that everyone, including them, should expect to be treated politely and with respect by others (including when online/anonymous) in school and in wider society; strategies to improve or support courteous, respectful relationships
- R32. About respecting differences and similarities between people and recognising what they have in common with others e.g. physically, in personality or background
- R33. To listen and respond respectfully to a wide range of people, including those whose traditions, beliefs and lifestyle are different to their own
- R34. How to discuss and debate topical issues, respect other people's point of view and constructively challenge those they disagree with

Core theme 3: Living in the wider world

Pupils learn...

- L1. To recognise reasons for rules and laws; consequences of not adhering to rules and laws
- L2. To recognise there are human rights, that are there to protect everyone
- L3. About the relationship between rights and responsibilities
- L4. The importance of having compassion towards others; shared responsibilities we all have for caring for other people and living things; how to show care and concern for others
- L5. Ways of carrying out shared responsibilities for protecting the environment in school and at home; how everyday choices can affect the environment (e.g. reducing, recycling, food choices)
- L6. About the different groups that make up their community; what living in a community means
- L7. To value the different contributions that people and groups make to the community

- L8. About diversity: what it means; the benefits of living in a diverse community; about valuing diversity within communities
- L9. About stereotypes; how they can negatively influence behaviours and attitudes towards others; strategies for challenging stereotypes
- L10. About prejudice; how to recognise behaviours/actions which discriminate against others; ways of responding to it if witnessed or experienced
- L11. Recognise ways in which the internet and social media can be used both positively and negatively
- L12. How to assess the reliability of sources of information online; and how to make safe, reliable choices from search results
- L13. About some of the different ways information and data is shared and used online, including for commercial purposes
- L14. About how information on the internet is ranked, selected and targeted at specific individuals and groups; that connected devices can share information
- L15. Recognise things appropriate to share and things that should not be shared on social media; rules surrounding distribution of images
- L16. About how text and images in the media and social media can be manipulated or invented; strategies to evaluate the reliability of sources and identify misinformation
- L17. About the different ways to pay for things and the choices people have about this
- L25. To recognise positive things about themselves and their achievements; set goals to achieve personal outcomes
- L26. That there is a broad range of different jobs/careers that people can have; that people often have more than one career/type of job during their life
- L29. That some jobs are paid more than others and that money is one factor which may influence a person's job or career choice; that people may choose to do voluntary work which is unpaid
- L30. About some of the skills that will help them in their future careers e.g. teamwork, communication and negotiation.
- L31. To identify the kind of job that they might like to do when they are older
