

# Fairtrade Fortnight

Dear Parents and Carers,

We are delighted to be representing the Eco Council at St Patrick's for this coming year. To begin our initiatives, we would like to bring to your attention Fairtrade Fortnight which began on Monday 22<sup>nd</sup> September. We are kindly asking if you could possibly include one or two fairtrade items with your weekly food shopping during this time, please. It would be fantastic if you could photograph this and send a quick email to your child's class teacher so we can share the pictures in school.

Thank you for all your support.
